

# Digital Signage Solutions

Crunchy Tech helps our clients deliver the information they want in stunning visual style.

Digital signage employs cutting-edge technologies like LED and LCD to deliver vital information to clients, guests, and employees.

Crunchy Tech is a pioneering technology firm based in Orlando, Florida. Founded in 2008, Crunchy specializes in end-to-end commercial AV integration, meeting spaces, digital signage, interactive experiences, and world class support.

Our services include all-in-one solutions to your technology needs, including system creation, development, management, and 24/7 technical support. Our goal is to give your organization a perfectly tailored system that is customized to fit your needs.

# WHY USE CRUNCHY TECH?

Crunchy Tech is a premier audiovisual solutions provider. We design, install, program, commission, and support top-of-the-line systems that work with the complexities of business needs.

With so many premier technology partners our AV systems promote ease-of-use, long-term cost effectiveness and upgradability.

Crunchy Tech also provides on-going support for our AV systems through warranty and maintenance programs to ensure the system's usability and the client's satisfaction.

# RESTAURANT DIGITAL SIGNAGE

**ELEVATE GUEST EXPERIENCE  
WITH STUNNING VISUALS.**

Restaurant digital signage doesn't need to be complicated to be effective. From digital menu boards to large video walls for playing sports, Crunchy Tech can design, install and support the perfect digital signage solution for any restaurant.

# CORPORATE DIGITAL SIGNAGE

**USE VIDEO TO WOW YOUR EMPLOYEES AND CLIENTS.**

Provide sales team updates in real-time with advanced digital signage solutions or deploy any solution you want to give people the information they want, with style. We work to provide corporate digital signage solutions that function flawlessly, and after we design and install your corporate solution, we back it with world class support.

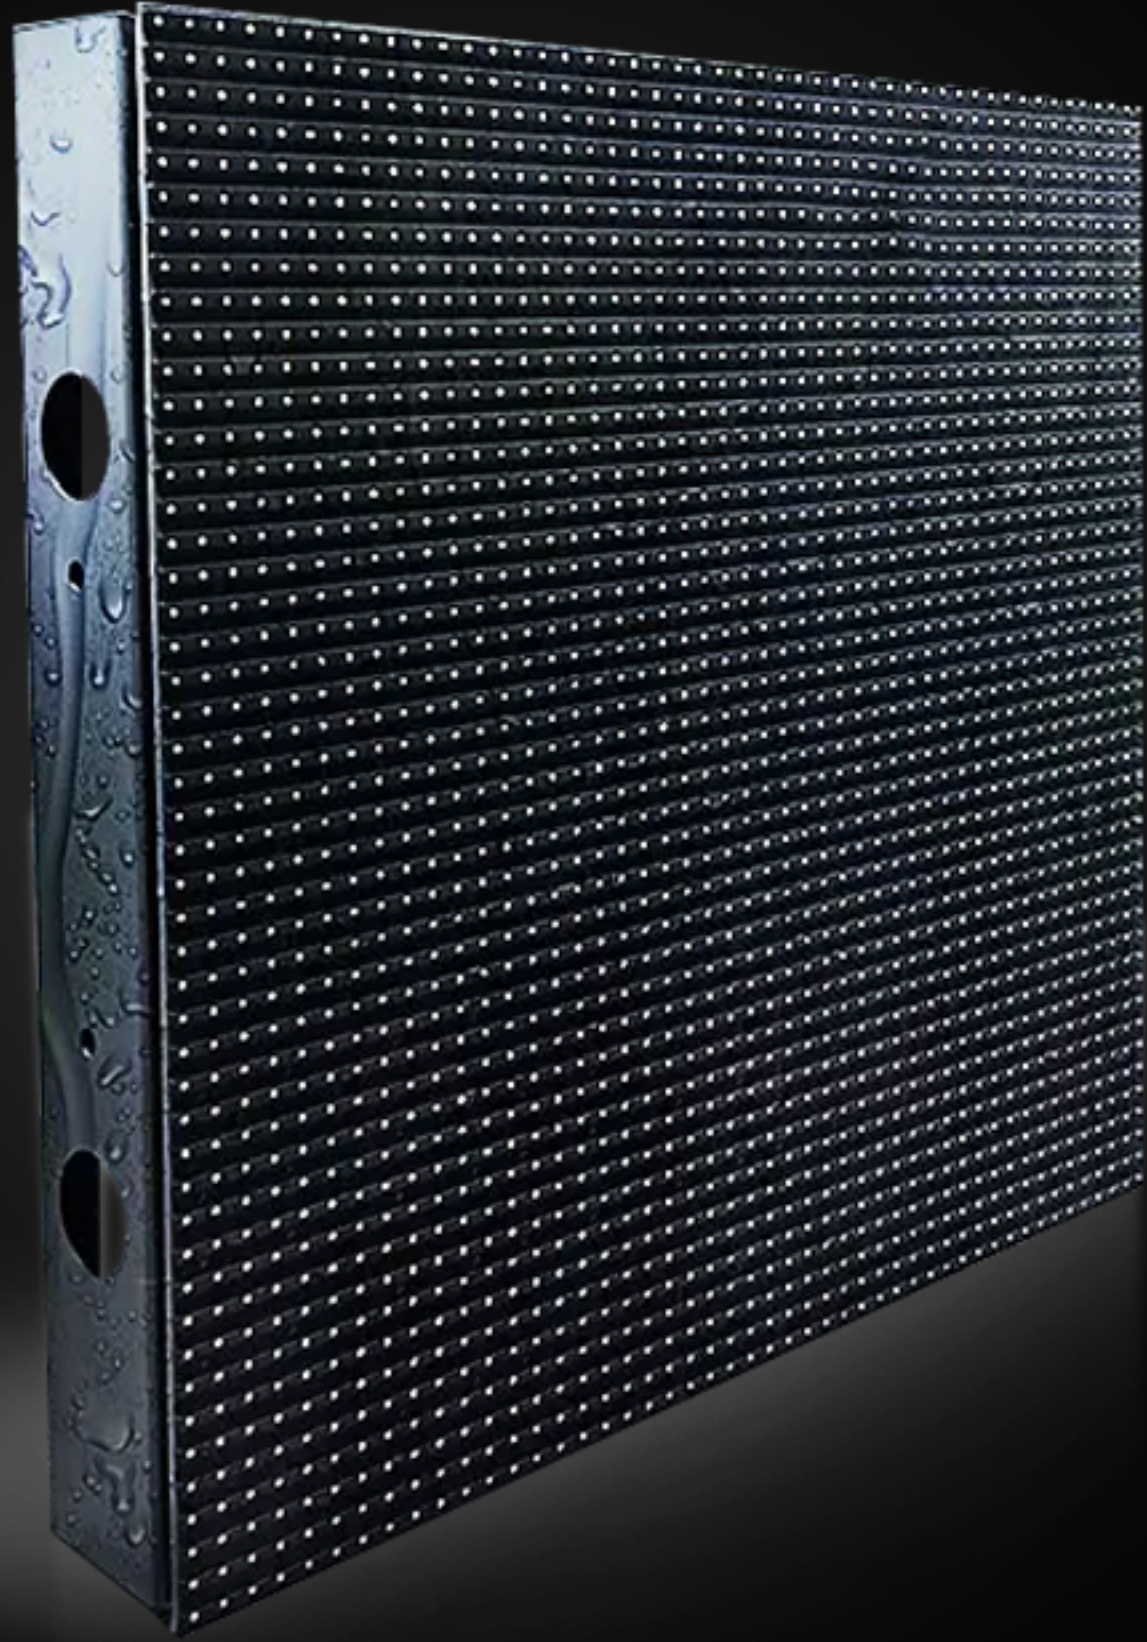

# HOTEL DIGITAL SIGNAGE

Create a visual oasis for guests in the lobby and all throughout your hotel.

Make heads turn throughout your hotel property, provide wayfinding, or even promote your restaurant spaces.

If you can dream it Crunchy Tech can design, install, and support a perfect digital signage solution for your hotel.

# EDUCATION DIGITAL SIGNAGE

**Engage students on campus and students learning remotely.**

The need for digital signage within education spaces has become more important than ever in recent years. Hybrid spaces and remote learning should not suffer due to outdated visual systems.

Outdoor digital signage also helps increase student engagement and helps share real-time information throughout the campus.

# RETAIL DIGITAL SIGNAGE

Find the perfect content delivery system for showing off your products.

A simple solution for showcasing your retail store and having an easy-to-use content delivery system is key for retail businesses. Showing off your products and deals in style could be the difference maker in whether people walk into your store or not. Crunchy Tech can design, install, manage content delivery and training, and provide world class support for any retail business.
