WHY USE CRUNCHY TECH?

Crunchy Tech is a premier audiovisual solutions provider. We design, install, program, commission, and support top-of-the-line systems that work with the complexities of restaurant needs.

With so many premier technology partners to choose from, our AV systems promote ease-of-use, long-term cost effectiveness, and upgradability.

Crunchy Tech also provides ongoing support for our AV systems through warranty and maintenance programs to ensure the system's usability and the client's satisfaction.

HEAR YOUR MESSAGE

The message to your congregation is the most important thing for a house of worship.

Top-of-the-line audio that doesn't have glitches is very important to all our clients.

Crunchy Tech specializes in designing, installing, and supporting cutting edge audio systems for houses of worship. Let us help your message be heard!

BROADCAST YOUR MESSAGE

Many houses of worship also need broadcast abilities so that the flock that stays at home on Sunday doesn't miss out on the message.

These advanced AV systems are a breeze for Crunchy Tech, and we can design the perfect broadcast solution for any house of worship.

SEE YOUR MESSAGE

From the main sanctuary or auditorium to the lobby and remote internet viewers, making sure video is routed properly and that the proper digital displays are installed is key and needs to be easy and reliable.

Crunchy Tech can design, install, and provide support for top-of-the line video to make sure your message is seen in stunning visual style.
