# WHY USE CRUNCHY TECH?

Crunchy Tech is a premier audiovisual solutions provider. We design, install, program commission, and support top-of-the-line systems that work with the complexities of IT and networked environments.

This helps fill in the gaps for our premier IT partners who have clients seeking AV integration along with their IT service needs. With so many premier technology partners our AV systems promote ease-of-use, long-term cost effectiveness and upgradability.

Crunchy Tech also provides on-going support for our AV systems through warranty and maintenance programs to ensure the system's usability and the client's satisfaction and provides a huge added value to the end client.
